

Product Description:

Spryte™ LED downlight range is the ideal energy efficient non-fire rated solution for new build or retrofit halogen, R63 and R80 reflector lamp installations. Fitted with the edge-to-edge, multifaceted 60° wide beam EnFiniti™ lens, these downlights allow for high light output and low glare while still providing a sparkling halogen like optical appearance in a compact sized fitting. Now also available in 8W ball-joint adjustable version alongside the fixed for maximum application flexibility.
