DID YOU KNOW WE CAN PRODUCE ANY COLOUR YOUR HEART & HOME DESIRES?

The process for producing a bespoke finish for you starts with the RAL colour you require. We take the raw plates for the products you choose and these are sent to our painting facility based in Belfast, Ireland where the team prime and paint the product. These are then sent back to our assembly line in West Sussex where your unique **Trendi Switches** are born and sent to you.

If this service is of interest to you. Contact your chosen reseller for more information.
