Frames and Finishes Configurator

1. Select the required electrical accessory from the following pages.
e.g. **LRX R21** = Linea-Rondo CFX 1 gang 10AX 2 way Rocker Switch.
2. Using the Frame & Finishes Chart on the next page;
 - a. Select the required Frame Finish
e.g. Bright Chrome = **BC**-__-__.
 - b. Select the required Front Plate Finish
e.g. Satin Steel = __-__**SS**-__.
 - c. Select the required Insert Surround Colour
e.g. White = __-__-__**W**.

Therefore a Linea-Rondo CFX 1 gang 10AX 2 way Rocker Switch as illustrated below = **LRX R21 BC-SS W**

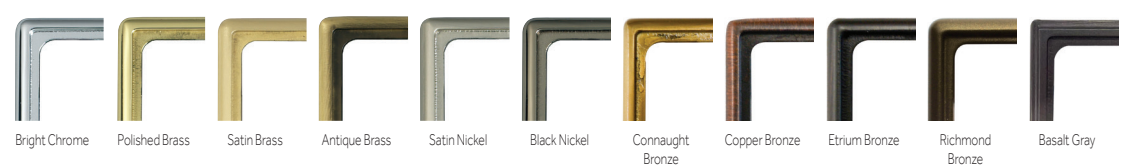

Please check each Linea range in the catalogue to see what frames and finishes are available in each range.
